

Dutch Made Inc.
CUSTOM CABINERY

From our Amish roots in the Heartland of America,
Dutch Made has prided itself on the ability to
create the highest quality custom cabinetry.
It separates us from the rest.

DUTCH MADE INC. National builder of fine custom cabinetry for over 50 years in Grabill, IN.

- Are you a GRAPHIC DESIGNER looking to collaborate with many of the country's most talented design minds? We have entry level positions available in our drafting department. AutoCAD experience a plus but not required.
- Seeking carpentry and paint/finishing professionals that aren't afraid to be challenged.
- Entry-level manufacturing positions also available. Anyone with a great team attitude is welcome and leave the training to us.

First and second shift available.
